Maths

RJ

- Maths is taught daily following White Rose Scheme of Learning. Reasoning and problem-solving activities are included in each lesson to allow the children to apply their learning to new contexts.
- Times tables (T T Rock Stars). The aim is for all children to be fluent up to 12×12 .
- Numicon - we encourage concrete, pictorial and abstract (please see next slide for more details).

Numicon and Other Mathematical^{RJ} Methods

Concrete is the “doing” stage, using concrete objects to model problems.

Pictorial is the “seeing” stage, using representations of the objects to model problems.

Abstract is the “symbolic” stage, where children are able to use abstract symbols to model problems

English - writing

- We teach English in half termly blocks, looking at either a fiction or non-fiction text. We look closely at a grammar feature of the writing and build up the children's confidence and ability to use this feature in their own writing.
- Each week the children have the opportunity to write at length, basing their work on the text used in class.
- Read Write Inc Spelling takes place every day in class and children are expected to use these rules in their independent writing. Red/Orange words will be available on Seesaw and chn are tested every Friday.

English - Reading

The More
that you read,
the More things
you will know.
The More that you
Learn,
the More places you'll go.

- Destination Reader is taught across KS2 to strengthen reading across the school. DR is taught every day for 30-40 minutes.
- It focuses on building reading skills such as prediction, summarising, inference etc.
- Within DR children will have the opportunity to read a wide range of fiction/non-fiction texts.
- Children will continue to progress through the reading scheme used in school (colour banded books).

The Library

- The school library is used weekly (Thursdays) and these books can be taken home
- Children will have a reading book and should use their reading diary to record daily reading.
- Children will read weekly in school during Destination Reader lessons.

SATS

- Don't worry!
- SATS will be held the week beginning May 10th (Monday to Thursday)
- Tests will be taken in Maths, Reading and EGPS (English grammar, punctuation and spelling). Writing and Science is teacher assessed.
- We will hold a meeting in the Spring term(January) to go through this in more detail with you.

P.E. & Games

Please remember to come to school in your PE kit on these days.

- **Wednesday - Games**
- **Monday – PE** (Friday for this half term)

Please ensure that your child has the correct PE kit. All children are expected to take part in PE lessons. Earrings should be removed for PE. Please ensure your child can do this independently.

Growth Mindset

In year 6, we are continuing to use a Growth Mindset to help us face new challenges.

Homework

- This term all homework will be set on Seesaw. If your child is not able to access this, they will be given paper copies.
- Homework is set on a Wednesday and is due to be completed by the following Wednesday.
- Happy Homework Club
- Weekly homework will consist of: Maths and English (grammar or comprehension). We also expect the children to read at least 5 times a week.
- Spellings are set weekly, please check Seesaw for red/orange words.

In addition, please support your child with their **times tables (Times Table Rock Stars)** up to **12x12** and ensure they **read at least 5 times a week.**

Behaviour

- Ready, Respectful and Safe.
- Fantastic walking
- Children are recognised and rewarded for hard work, perseverance and good behaviour.
- Stickers – are used as a reward for good sharing, ideas etc.
- Wow Cards – will be used to celebrate the efforts of those that go that extra mile!
- Celebration assembly occurs every week where three certificates are shared: Values, Star of the Week, and Effort.

Remember to label everything.

- ALL clothes
- ALL bags
- Drinks bottles
(these should only contain water).
- Lunch boxes
- Coats

Always remind your child to bring a bag to school. There is often something to take home.

Online Safety

RJ

What can be done at home?

Have a computer in a common area

Monitor the sites they are accessing.

Be clear on the age restrictions for social media and games.

Online Safety

RJ

Smart phone free policy. That you for supporting us in this.

Please be aware of Whats App/Snapchat groups (both of which have an age limit of 13)—these groups need to be monitored regularly.

Social Media

Social media is a great source of communication between parents if you need to check PE days or what homework has been set, but if you have a concern or a complaint please do come in to school and speak to staff to resolve it in person.

Traffic

Travel to school and parking

- Please consider parking further away from the school in surrounding roads to play your part in easing congestion around the school at peak periods. Or can you walk or cycle to school—really good for the family's health and the environment!

Car Parks

- Please can parents not walk through the school's car parks but use the footpath around the side of the car park to enter the school building and school playgrounds.

There is also a one-way route we are trying to enforce around the school during drop-off and collection times. Please see the map below:

Keep everyone safe—drive slowly around the estate.

Consider our neighbours and all parking restrictions when leaving your car. Yellow lines, driveways and verges are not appropriate places to park your car.

Please don't enter the estate here—exit only.

Enter the estate via Acacia Avenue

To ease congestion around the school, turn left here.

One-way route turning right onto Hawthorn Road, then right into Almond Avenue, exiting onto Egley Road.

The pavements are busy with walkers, prams, scooters, bikes and more. Be alert to keep everyone safe.

Barnsbury PTA
