Dear Parents and Carers

As the winter chill sets in and the festive season approaches, it's time for us to reflect on the wonderful achievements and memorable moments that have filled our school with warmth during this autumn term. The children have worked so hard throughout the term, engaging in a wide range of subjects, activities and events and impressing us with their dedication and enthusiasm for learning. I am so very grateful to our amazing members of staff who work so hard each and every day to ensure the children experience the very best opportunities to develop academically, socially and emotionally.

A big thank you to all the parents and members of our community who have actively participated in school events and volunteer activities. Your support is invaluable, and it reinforces the strong sense of community that makes Barnsbury Primary School and Nursery a special place for our children to learn and grow.

This week in particular has been very special at Barnsbury. The children in Key Stage One and Reception treated us to a truly magical nativity production. Everyone was so impressed with their singing (so many words to learn!) and the confidence and clarity of the actors. It was wonderful to see all of their faces enjoying taking part. Thank you to all of the amazing members of staff who worked so hard to bring it all together and to all of the parents and family who supported the children by coming to watch.

Yesterday afternoon was the Year 3 and 4 Christmas Carol Concert at St Mary of Bethany's Church. The children's singing was exceptional; they put their heart and soul into performing and it sounded absolutely beautiful. The speakers from Year 4 all did a wonderful job narrating the Christmas story and they spoke so confidently. Again, huge thanks to our wonderful teachers, especially Mrs Norfolk and Miss Murray for organizing the event. Thank you to all of the parents and family who came to the event—I hope it has put you all firmly into the Christmas spirit!

The children had their Christmas parties on Thursday afternoon. They had fun with their friends and teachers to celebrate the end of the Autumn Term and the coming of the Christmas break. This morning the whole school came together for our final assembly of the term and we looked at a story highlighting 'the true spirit of Christmas'.

Thank you for the kind toy donations to Early Years. The children have played with some already and they will be excited to explore the others in the new year.

Thank you to the Nursery and Reception families who kindly donated money for our sponsored event. You have helped to raise an amazing £354 which will go towards new construction resources for Early Years. We will keep you updated with photos during the academic year.

I wish all of our families a wonderful Christmas break. Take care of each other and enjoy spending time with your loved ones. We look forward to welcoming the children back at school on Wednesday 3rd January 2024.

With kind regards,

A handwritten signature in blue ink that reads "J Harrup".

Christmas Card Competition

After various year groups entered a Christmas Card competition, an email arrived announcing Emma Yau - 4T had been awarded 'runners-up.' I am sure you will all agree that her card design was outstanding! The theme was Christmas in Woking, and was depicted by Emma in a bold and creative way. We are super proud of her.

Have an eco-Christmas

Save any Christmas cards and cut them up to use as tags for next year.

Help save the planet this festive season!

PRESENTS

- Try making gifts yourself! From knitting a scarf to baking a batch of cookies, there are lots of fantastic presents you can DIY.
- Buy presents from shops that make their products in an ethical and sustainable way... just like The Wildlife Trusts' store.
- Think quality not quantity: having a family Secret Santa means you don't have to buy for everyone and helps to create less waste.
- Avoid non-recyclable wrapping paper by using brown paper and brown paper tape. Better yet, go for a reusable option like a bag or a box.

FOOD

- Plan your meals so food doesn't go to waste. Leftovers can make some of the tastiest meals!
- Shop local. Are there ingredients for your Christmas dinner that you can source from local farms or shops?
- Compost your vegetable waste.
- Try out some veggie and vegan alternatives to cut down on meat and dairy.

DECORATIONS

- If you already have a cupboard full of sparkly Christmas decorations, make sure to reuse them.
- Instead of plastic tinsel, try using bunting, pinecones, or popcorn tinsel instead.
- Avoid buying Christmas crackers that contain plastic toys. You might want to try making your own using toilet roll tubes instead. Writing your own jokes is the best bit!

12 Top Tips for Children and Young People to Enjoy a TECH-FREE CHRISTMAS

The Christmas holidays are tailor made for families to enjoy relaxed quality time in each other's company – but with distractions like pinging phone notifications, the lure of games consoles and online Boxing Day sales, that can be more difficult than it sounds. Staying off our phones, laptops and tablets, however, can really help us to appreciate the things that genuinely matter at this special time of year. Follow our 12 top tips for a tech-free festive season ... Yule be glad you did! Merry Christmas!

CHRISTMAS CRAFTING

Get out the paper, glue and scissors and have a go at hand-making cards or gift tags. You could also create your own decorations to add a uniquely personal touch to the Christmas tree.

NATURE QUEST

Try a scavenger hunt in the garden or your local park. Challenge yourself and your family to find natural treasures that are symbolic of this time of year – like holly or pinecones, say.

CAROL KARAOKE

Sing your hearts out with a Christmas carol karaoke night. Pick out your favourite tunes and enjoy a musical celebration with family and friends.

WANDER DOWN MEMORY LANE

How about making a scrapbook filled with your favourite memories from Christmases gone by? Unleash your creativity while you enjoy reliving those magical holiday moments.

TRY REFLECTIVE JOURNALLING

Dot down your thoughts, feelings and reflections on the holiday in a notebook or diary – you could also list some of your main goals for the new year.

WRAP IT UP

Take time to get inventive with some luxurious gift wrapping. Break out the wrapping paper, ribbons and bows to make parcelling up those presents into a creative adventure.

WALK IN A WINTER WONDERLAND

Delight in the great outdoors with some gentle walks over the holiday. The family can all wrap up warm as you add to your step count and savour the crisp winter air together.

BE A SEASONAL CHEF

Get the whole family working together in the kitchen for some Christmas cooking. Choose a recipe and whip up a festive feast that all of you can enjoy.

ENJOY A CHRISTMAS STORY

Christmas is a perfect time for sparkling stories. Get cosy and lose yourself in a brilliant book, from Dickens to Dr Seuss or a more modern favourite by Chris van Allsburg or Tom Fletcher.

SNOWY SCULPTURES

If we're fortunate enough to get a white Christmas this year, make the most of the opportunity by having a family snowman-building competition!

GAMES NIGHT GALA

Dive into some old-school fun with a tech-free games night. Classic board games and card games have stood the test of time for a reason!

GOODWILL TO ALL

You and your family could spend a day volunteering – perhaps at a food bank or helping a local charity. After all, kindness and thinking of others are part of what Christmas is all about.
