They promote Physical activity among their peers and enable the increase in activities on offer.
Total	<b>£ 19,490.00</b>	<b>£8,972.94</b>	

The funding has been provided to ensure impact against the following OBJECTIVE:

***To achieve self-sustaining improvement in the quality of PE and sport in primary schools.***

It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

#### Department for Education Guidance on How to use the Primary PE and Sport Premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

#### **This means that you should use the premium to:**

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools

#### **You should not use your funding to:**

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum – including those specified for swimming.
